Chronic Condition Special Needs Plans (C-SNPs)

Our C-SNP portfolio reflects a focused approach to growth, expanding into six new states (AR, CA, CO, IA, KY and WA).

These plans support members with diabetes mellitus, chronic heart failure and/or certain cardiovascular disorders through coordinated care, a dedicated personal care team, and targeted benefits to meet their everyday needs. Built on high-performing, value-based networks, C-SNPs deliver a predictable, easy-to-navigate experience that supports coordination and a more seamless care journey. Aetna's C-SNPs offer some of the richest, most focused benefits in the portfolio. Members benefit from \$0 copays for PCP visits and certain specialists related to eligible chronic conditions, as well as access to over 200 chronic condition drugs with a \$0 copay at preferred pharmacies.

Dual Eligible Special Needs Plans (D-SNPs)

Aetna's D-SNPs provide integrated, coordinated care solutions for members eligible for both Medicare and Medicaid, helping reduce barriers and improve outcomes through a more connected care experience.

Through coordinated Medicare and Medicaid benefits and a dedicated personal care team, these plans bring coverage and care management together to better support the whole person. Members can count on consistent, comprehensive coverage that works with their Medicaid benefits—helping ensure access to care, medications, and essential services without added complexity. Plans are designed to deliver practical, day-to-day support, including dental, vision, hearing and fitness benefits, along with a monthly allowance on an Extra Benefits Card that can be used for OTC items—and, for those who qualify, healthy foods and everyday expenses. D-SNPs with “Care” in the name offer an added monthly allowance for qualifying members who choose a high value provider as their PCP. Reducing cost barriers to care, combined with competitive prescription drug coverage—including \$0 Tier 1 copays—and coordinated care delivery makes it easier for members to access the services they need, when they need them—reinforcing stability, simplicity, and everyday affordability.
