

2027 RETIRED STATE EMPLOYEES

COMPARE YOUR 2027 PLAN BENEFITS

OPEN ENROLLMENT · OCTOBER 12 – OCTOBER 30, 2026 · CALL (855) 859-0966

⚠ ALL STATE RETIREES ARE AUTO-ENROLLED IN THE HUMANA GROUP PPO FOR 2027 — regardless of their current plan. A client on **MA-only + 70/30** will be disenrolled from **BOTH** and moved to the Humana Group PPO. To keep their current setup they **must call the State at (855) 859-0966 to opt out**.

While you have them: verify their Aetna 70/30 premium is **\$0** and they are **full-benefit retirees**. A retiree's **spouse pays \$65/month** on the Humana Group PPO.

GLP-1 bridge program: the Aetna 70/30 is **not a Part D plan**, so **MA-only + 70/30** will **NOT** qualify — the client needs a **MAPD or the Humana Group PPO**. Looking ahead: **Aetna 70/30 ends after 2027; BCBS takes over in 2028**.

OPTION 1 — TAKE THE HUMANA GROUP PPO (all-in-one, includes Rx)

OR

OPTION 2 — OPT OUT: an MA plan + AETNA 70/30 for Rx & secondary medical

The decision: the Humana Group PPO is one plan that covers medical *and* drugs. The alternative is to opt out and pair a Medicare Advantage plan with the Aetna 70/30, which supplies Rx coverage and secondary medical — but note the 70/30's \$1,500 deductible and that it is not a Part D plan.

FL = Medicare Advantage carrier First Look, **not CMS-approved** and subject to change. Humana Group PPO and Aetna 70/30 figures are from the 2027 State Health Plan Comparison and are final. Blue Medicare Medical Only has not published 2027 benefits yet.

Humana network: see any provider in or out of network who accepts Medicare assignment and agrees to bill Humana — your cost is the same either way.
