§ While only your doctor can diagnose, prescribe or give medical advice, the [care management nurses/24-Hour Nurse Line] can provide information on a variety of health topics.

‡ The benefit(s) mentioned are part of special supplemental benefits for the chronically ill (SSBCI). SSBCI conditions include but are not limited to: hypertension, hyperlipidemia, diabetes, cardiovascular disorders, and chronic lung disorders. Eligibility is determined by whether you have a chronic condition associated with the benefit(s) and you meet all other criteria. Even if you have a listed chronic condition, you may not necessarily receive the benefit because other eligibility and coverage criteria may apply. Standards and conditions vary for each benefit. Contact us to confirm the specific SSBCI condition requirements for the benefit(s) for this plan and determine your eligibility.
