

Dear Valued Cannon Pharmacy Customer,

Medicare prescription drug and Medicare Advantage plans **can change each year**, including which pharmacies are in-network, which medications are covered, and what your out-of-pocket costs may be. Failing to review your coverage during the Annual Enrollment Period (**October 15 – December 7**) could result in **higher costs or gaps in coverage**, sometimes amounting to **thousands of dollars per year**.

To help you review your options and avoid surprises, you have several resources:

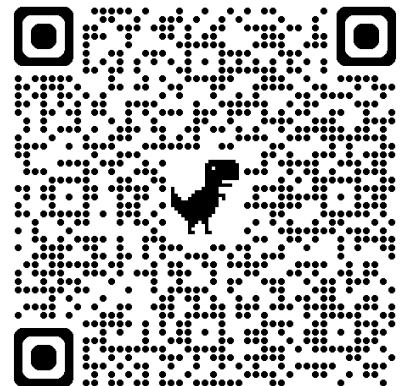

- If you have a **licensed Medicare agent you currently work with**, you may contact them directly to review your options.
- If you do not have an agent, or would like additional support, a **licensed, independent Medicare agent, Tim Winslow**, is available onsite at Cannon Pharmacy. Tim is **not employed by Cannon Pharmacy or any insurance company**, and **Cannon Pharmacy does not recommend or endorse any specific plan or company**. You can call and text **Tim at (704) 935-4796** or scan the QR code below to schedule a time to speak with him. For new customers, you will be asked to confirm your consent before submitting your appointment.
- You may also review your coverage independently using official resources: **www.Medicare.gov** or **1-800-MEDICARE (1-800-633-4227)**.

During Annual Enrollment, you may receive mailings or calls from multiple sources. Please share personal information only with **trusted, licensed resources**. Our goal is to make sure you are **aware of potential coverage changes** and have access to a **reliable resource to help you make informed decisions**.

Thank you for your trust in Cannon Pharmacy.

Sincerely,

The Team at Cannon Pharmacy South End
