

Hello,

I hope this letter finds you well! Last year, I helped you with your United Medicare Advantage plan. I work inside your pharmacy. It's time to review your plan for 2026! You should have received your "Annual Notice of Change" (ANOC) letter from your current plan. It is **VERY IMPORTANT** that you review this notice. There are MANY changes for 2026!

Changes to YOUR plan for 2026 (UHC NC-28)

- **Specialist:** Increases to \$25 copay and now requires a referral (\$15 and referral not required in 2025).
- **Hospital Copay:** Increases to \$455 per day (\$395 per day in 2025).
- **UCard Allowance:** Decreases to \$55 per month (\$75 per month in 2025).
- **Rx Deductible:** Increases to \$355 on brand-name meds (\$255 in 2025).
- **Rx Copays:** Tier 3 meds will be 22% co-insurance (\$47 copay in 2025).

Recommendation

- **If you're taking a brand-name medication**, please call me at 980-690-5011 to discuss your 2026 options.
- **If you're happy with United Healthcare** and understand the changes, you don't need to do anything. Your plan will automatically continue in 2026.

As a **Special Needs Plan (SNP)** member, due to your diagnosis of either diabetes or a heart condition, your insulin copay will remain \$25 in 2026. If you are satisfied with United and understand the upcoming changes, no action is required for 2026. However, if you are dissatisfied with United or these changes, please call me at 980-690-5011 to schedule a complimentary review of your 2026 options.

I humbly ask if you know anyone on Medicare needing help, you kindly refer them to me. **Lastly, you will receive many phone calls and solicitations. Please be careful and only talk to someone that you trust.**

Sincerely,

Brian Freeman, PharmD, Licensed Medicare Agent
