

Very Important - Please Read

Hello,

I hope this letter finds you well! Last year, I helped you with your United Medicare Advantage plan. I work inside your pharmacy. It's time to review your plan for 2026! You should have received your "Annual Notice of Change" (ANOC) letter from your current plan. It is VERY IMPORTANT that you review this notice. There are MANY changes for 2026!

Changes to YOUR plan for 2026

- Higher specialist copays and specialist referral required
- Higher hospital copay/day and 6 days of copays (was 5 in 2025)
- Dental-Only paying 50% for comprehensive (vs 100% in 2025)
- RX coverage- Increase in Deductible and Tier 3 drugs go from \$47 copay to a Percentage of cost in 2026.

RECOMMENDATION

- Join us for a webinar where we will explain these changes and what you can do to review your options for 2026 (information below)
- If you have been happy with United and understand these changes, you do not have to do anything to stay on the plan for 2026

You can register by scanning the code here or going to www.foundersinsuranceagency.com and clicking on "upcoming Webinars".

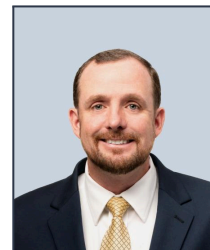

If you can't join the webinar, call me at 980-690-5011 to schedule a Free review of your 2026 options. Just remember, Enrollment ends on December 7th.

I humbly ask if you know anyone on Medicare needing help, you kindly refer them to me. **Lastly, you will receive many phone calls and solicitations. Please be careful and only talk to someone that you trust.**
