

Hello,

I hope this letter finds you well! Last year, I helped you with your United Medicare Advantage plan. I work inside your pharmacy. It's time to review your plan for 2026! You should have received your "Annual Notice of Change" (ANOC) letter from your current plan. It is **VERY IMPORTANT** that you review this notice. There are MANY changes for 2026!

Changes to YOUR plan for 2026 (UHC NC-V001)

- **Specialist:** Increases to \$30 copay and requires a referral (\$15 in 2025).
- **Hospital Copay:** Increases to \$450 per day (\$395 per day in 2025).
- **UCard Allowance:** Decreases to \$71 per month (\$75 per month in 2025).
- **Max out of Pocket:** Increases to \$5,900 (\$4,500 in 2025).
- **Rx Copays:** Added copays for Tier 2 (\$5.10) and Tier 3 (\$12.65) meds (\$0 for all meds in 2025). Prices are for 30 day supplies.

Recommendation

- If you're happy with United Healthcare and understand the changes, you don't need to do anything. Your plan will automatically continue in 2026.
- If you're **NOT** happy with United Healthcare, please call or text me at (704) 935-4796 to discuss your 2026 options.

You are on a **Dual Special Needs Plan (D-SNP)** because you have NC Medicaid. If your Medicaid status has or will be changing, please contact me. The Rx copay change is because of a change in Medicare rules; it will affect all carriers/plans.

I humbly ask if you know anyone on Medicare needing help, you kindly refer them to me. **Lastly, you will receive many phone calls and solicitations. Please be careful and only talk to someone that you trust.**

Sincerely,

Timothy Winslow, Licensed Medicare Agent
