

Hospital Indemnity insurance coverage details

Hospital Indemnity insurance's lump-sum payment can protect your clients' savings when they have a hospital stay. But they receive the most from their plan when you clearly explain what Wellabe's Hospital Indemnity Insurance does and doesn't cover¹ in its base plan and riders.

SUMMARY OF BENEFITS: BASE PLAN^{2,3,4}

Hospital Confinement Indemnity benefit: We will pay the hospital confinement indemnity benefit amount, as shown in the policy schedule, for each day the policyholder is hospital confined as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the hospital confinement maximum benefit period, as shown in the policy schedule, for any one hospital confinement period. This benefit is not payable for confinement in a hospital due to a mental or nervous disorder.

Observation Unit Indemnity benefit: We will pay the observation unit indemnity benefit amount, as shown in the policy schedule, for each day the policyholder receives services in an observation unit of a hospital as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the observation unit calendar year maximum, as shown in the policy schedule.

Mental Health Indemnity benefit: We will pay the mental health indemnity benefit amount, as shown in the policy schedule, for each day the policyholder is hospital confined as a result of a covered mental or nervous disorder. Benefits are not payable beyond the mental health calendar year maximum, as shown in the policy schedule.

Emergency Room Indemnity benefit: We will pay the emergency room indemnity benefit amount, as shown in the policy schedule, for each day the policyholder receives services in a hospital emergency room or hospital-affiliated emergency care facility as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the emergency room calendar year maximum, as shown in the policy schedule.

Transportation and Lodging Indemnity benefit: We will pay the transportation and lodging indemnity benefit amount, as shown in the policy schedule, for each day expenses are incurred for transportation or lodging while the policyholder receives treatment in a hospital or medical facility, located more than 50 miles from their residence, as a result of a covered loss due to a sickness or injury. This benefit is payable only once per day, regardless of whether the policyholder incurs expenses for both transportation and lodging on the same day. They do not need to incur expenses for both transportation and lodging to be eligible for this benefit. Benefits are not payable beyond the transportation and lodging calendar year maximum, as shown in the policy schedule.

Pet Boarding Indemnity benefit⁵: We will pay the pet boarding indemnity benefit amount, as shown in the policy schedule, for each day the policyholder boards a family pet, regardless of the number of pets, with a pet boarding provider while the policyholder receives treatment in a hospital or medical facility, as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the pet boarding calendar year maximum, as shown in the policy schedule.

SUMMARY OF BENEFITS: OPTIONAL BENEFIT RIDERS⁶

Lump Sum Cancer benefit rider: We will pay the lump sum cancer benefit amount when the policyholder is first diagnosed as having internal cancer or malignant melanoma, provided they have met the conditions set forth in the rider. They are limited to one lump sum cancer benefit payment while the rider and policy are in force. The coverage under the rider automatically terminates upon payment of the lump sum cancer benefit.

Lump Sum Hospital Confinement benefit rider: We will pay the lump sum hospital confinement benefit amount when the policyholder is hospital confined as a result of a covered loss due to a sickness or injury. Benefits are payable only once during any one hospital confinement period. No benefits are payable beyond the lump sum hospital confinement calendar year maximum benefit period. This benefit is not payable for confinement in a hospital due to a mental or nervous disorder.

Ambulance Services Indemnity benefit rider: We will pay the ambulance services indemnity benefit amount for each day the policyholder receives ambulance transportation services due to a covered sickness or injury.

Ambulance services must be provided by a licensed ambulance service within 96 hours of the injury or the onset of sickness. Benefits are not payable beyond the ambulance services calendar year maximum and are subject to the ambulance services lifetime maximum benefit amount.

Outpatient Therapy and Chiropractic Services Indemnity benefit rider: We will pay the outpatient therapy indemnity

benefit amount for each day the policyholder receives one of the following therapies on an outpatient basis for treatment of a covered sickness or injury:

1. Occupational therapy
2. Physical therapy
3. Speech therapy

This rider will not pay more than one outpatient therapy indemnity benefit amount per day. Benefits are not payable beyond the outpatient therapy calendar year maximum. We will pay the chiropractic services indemnity benefit amount for each day the policyholder receives chiropractic services as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the chiropractic services calendar year maximum.

Skilled Nursing Facility Indemnity benefit rider: When the policyholder is eligible for and receives skilled nursing care, we will pay the skilled nursing facility indemnity benefit amount for each day of the skilled nursing facility benefit period that they are confined to a skilled nursing facility as a result of a covered loss due to a sickness or injury when they meet the following qualifications:

1. The policyholder must be confined to a skilled nursing facility and that confinement must begin within 30 days following discharge from a hospital confinement of at least three or more consecutive days.
2. Confinement must be for the purpose of receiving skilled nursing care for the same sickness or injury for which we paid benefits for the hospital confinement.
3. The physician must certify the need for the confinement to the skilled nursing facility.
4. The policyholder must receive skilled nursing care.

Benefits are not payable beyond the skilled nursing facility benefit period, unless the policyholder qualifies for the restoration of skilled nursing facility benefit period. Confinement to a skilled nursing facility for the same or related condition within 30 days of discharge will be treated as a continuation of the prior skilled nursing facility confinement period. Successive confinements separated by more than 30 days will be treated as a new and separate skilled nursing facility confinement period.

Restoration of skilled nursing facility benefit period: If the policyholder has received benefits under the skilled nursing facility indemnity benefit rider and has used up all or a portion of the skilled nursing facility benefit period, we will restore the skilled nursing facility benefit period once during the lifetime of the rider if they meet the following qualifications:

1. They must not require or receive skilled nursing care for 180 days in a row for the same cause or causes for which the previous skilled nursing facility confinement period began; and
2. They must not have been confined in a skilled nursing facility for a period of 180 days in a row.

The skilled nursing facility benefit period will be restored only once during the lifetime of the rider; however, in order for the skilled nursing facility benefit period to be restored, the policy and the rider must be kept in force by the continued payment of policy and rider premiums that become due.

Outpatient Surgery Indemnity benefit rider: We will pay the outpatient surgery indemnity benefit amount for each day the policyholder has surgery in an ambulatory surgical center or outpatient facility of a hospital as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the outpatient surgery calendar year maximum.

In addition to the Exclusions and Limitations contained in the policy, this rider will not pay benefits for:

1. Surgery not performed in an ambulatory surgical center or outpatient facility of a hospital.
2. Surgery performed for cosmetic purposes.
3. Bronchoscopy, colonoscopy, cystoscopy, gastroscopy, ureteroscopy, or esophagogastroduodenoscopy (EGD).
4. Cardiac catheterization, including angioplasty and stenting.
5. Carotid angioplasty or stenting.
6. Any procedure done through a needle including needle biopsies and chemical or radiofrequency ablation.

Urgent Care Center Indemnity benefit rider: We will pay the urgent care center benefit amount for each day the policyholder receives services in an urgent care center as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the urgent care center calendar year maximum benefit period.

Outpatient Prescription Drug Indemnity benefit rider⁷: We will pay the outpatient prescription drug indemnity benefit amount, as shown in the policy schedule, for each prescription order for an outpatient prescription drug filled at an appropriately licensed retail or mail-order pharmacy. Benefits are not payable beyond the outpatient prescription drug calendar year maximum benefit amount as shown in the policy schedule.

This benefit is not subject to the pre-existing conditions limitation contained in the policy.

In addition to the exclusions and limitations contained in the policy, the following apply to this rider:

1. Any prescription drug filled while a policyholder is hospital confined, in an observation unit of a hospital, in a hospital emergency room or hospital-affiliated emergency care facility, a skilled nursing facility, a hospice unit or facility, or an alcohol, drug, or substance abuse treatment facility or unit;
2. Over-the-counter medications, vitamins, or nutritional supplements;
3. Medications to eliminate or reduce a dependency or an addiction to tobacco including, but not limited to, the cessation or termination of cigarette, cigar, or tobacco smoking or the use of smokeless tobacco, including nicotine products, gums, and transdermal patches;
4. Medications for the treatment of hair loss or for the purpose of regrowing lost hair;
5. Immunization agents, biological sera, blood, or blood plasma;
6. Therapeutic devices or appliances, support garments, and other non-medicinal substances regardless of intended use;
7. Homeopathic medications; and
8. Any medication purchased outside of the United States.

Out-of-Network Indemnity benefit rider⁸: We will pay the out-of-network indemnity benefit amount, as shown in the policy schedule, for each day the policyholder is hospital confined in an out-of-network facility or receiving services in an observation unit of an out-of-network facility, as a result of a covered loss due to a sickness or injury. Benefits are not payable beyond the out-of-network calendar year maximum, as shown in the policy schedule. This benefit is not payable for services received in an out-of-network facility emergency room or emergency care facility or for confinement in an out-of-network facility due to a mental or nervous disorder.

In addition to the exclusions and limitations contained in the policy, the following applies to this rider:

1. Any services received from a health care provider or medical facility that are billed to your primary health care insurance carrier or program as in-network or as a participating provider.

Footnotes

1. Outlines of coverage provided at the time of application are available in Wellabe's health agent portal for agents selling policies in AL, AR, CO, FL, GA, KS, and LA. Agents in AZ, IA, KY, MI, MN, MO, MS, NC, NE, OH, TN, or WI can refer to this U.S. version of the summary of benefits and exclusions and limitations; state-specific benefits and exclusions and limitations may apply.
2. This flyer provides a very brief description of the important features of the Hospital Indemnity insurance policy, underwritten by Medico® Insurance Company, a Wellabe company. This is not the insurance contract and only the actual policy provisions will control.
3. Hospital confinement indemnity coverage: Policies of this category are designed to provide, to persons insured, coverage in the form of a fixed daily benefit during periods of hospitalization resulting from a covered sickness or injury, subject to any limitations set forth in the policy. Such policies do not provide any benefits other than the fixed daily indemnity for hospital confinement and any additional benefit described.
4. For any benefit to be payable under the benefits described in this summary of benefits, the loss must be incurred while the policy is in force and not excluded from coverage under the Exclusions and Limitations or the Pre-Existing Conditions Limitation provisions. Benefits under this policy are fixed indemnity benefits. The amount we pay will not be determined by the amount of the charges for the services and may be more than or less than the amount(s) charged for any loss. We will not pay benefits for the Hospital Confinement Indemnity benefit, Observation Unit Indemnity benefit and/or the Mental Health Indemnity benefit for the same date of service. We will pay the greater of these benefits for that date of service.
5. Not available in PA.
6. The optional riders are available for additional premium and are subject to all the provisions of the policy including, but not limited to, policy definitions, conditions, provisions, limitations and exclusions. Benefits provided by the riders are fixed indemnity benefits. The amount we pay will not be determined by the amount of the charges for the services and may be more than or less than the amount(s) charged for any insured loss. Not all optional riders are available in all states.
7. This benefit is not subject to the pre-existing conditions limitation in the policy. Not available in IL, KS, or MN.
8. Benefits are eligible when a policyholder has a primary health plan that uses a network of contracted providers, like PPOs, HMOs, or similar. Not available in MO, NC, PA, or TX.
